ACTS and LAWS,

Passed by the General Assembly of the Representatives of the State of VERMONT, at their Session at *Bennington*, October 1780.

An Act directing what Money and Bills of Credit shall be a legal Currency in this State.

WHEREAS no particular Money, or Bills of Credit, as yet have, by any Law of this State, been made legal Currency therein. *And whereas*, not only for determining what Money and public Bills of Credit shall be legal Currency, but also to decide, as near as may be, at what Rate they severally shall pass in Trading each with the other, Provision ought to be made by Law: Preamble.

BE it enacted, and it is hereby enacted by the Representatives of the Freemen of the State of VERMONT, in General Assembly met, and by the Authority of the same, That all genuine coined Gold, Silver, and Copper, shall be legal Money in this State, and Gold at the Rate of Five Pounds *per* Ounce; Silver, at Six Shillings and Eight-pence per Ounce; and coined Coppers, at Two-pence per Ounce: And that the Bills of Credit emitted by the United States of *America*, before the Eighteenth Day of last *March*, be a legal Tender as Money, according to their current Value; having Regard as well to their current Value at the Time of making all Contracts, as to the Time of rendering Judgments: To which all Courts in this State, in their respective Jurisdictions, are to conform themselves. Gold to pass at £5 per ounce; Silver at 6/8 per ounce; and Paper Bills at its current value.

Provided no Regard be had to the Value of said Bills at the Time of making any Contract which was or shall be for Gold, Silver, or Money equal thereto; or for Money to be made good as before the War; or for Money to be paid in any particular Thing or Things, at a certain Price; any Thing in this Act to the contrary notwithstanding. Proviso.

An Act for regulating Fees.

WHEREAS the Fees heretofore granted to Officers of Government, and others, have been stated in Continental Currency, which is so far depreciated, that it does not answer the Purpose intended. And it is also found that the Fees, in some Instances, as formerly stated, were not adequate to the Service: Preamble.

THEREFORE,

BE it enacted, and it is hereby enacted by the Representatives of the Freemen of the State of VERMONT, in General Assembly met, and by the Authority of the same, That the Establishment of the Fees belonging to the several Officers of this State, be as follows, viz.

Assistants
